

About TAFES STRATEGIC TASK FORCE (TSTF)

TAFES Strategic Task-Force (TSTF) is a special department in TAFES that focuses on Strategy & Innovation to help TAFES, and its stakeholders achieve her vision and mission. They do this in a more efficient manner working directly with all TAFES Stakeholders, National Director's office, and The Board.

This department deals with special focus areas which are to assess and improve, Operational Efficiency, Technological Integration, Team culture, stakeholder engagement, Branding and Marketing, Financial management, and Strategic planning.

The team is currently comprised of 5 members who are subject to change at any moment; Aniwene Madolomani as Department Head, Tulinagwe Mwakajila as Department lead & legal team coordinator, Rehema Ngoma as Department research and information specialist, Lilian Godliving as Department in funds as well as Innocent Mshana as Department Secretary.
